

SHERIFF CHRIS CLINTON RE-ELECTED REGION III VICE PRESIDENT

During Georgia sheriffs' summer training conference last week, Sheriff Chris Clinton was unanimously re-elected as Georgia Sheriffs' Association's Region III Vice President. As Region III Vice President, Sheriff Clinton collaborates with the other nine regional vice presidents on many issues facing sheriffs in Georgia to decide courses of action that best serve Georgia and its citizens. Region III covers 22 counties in the Northeast Georgia area. Regional Vice Presidents are nominated by sheriffs within their respective regions and elected by sheriffs across the state.

Sheriff Clinton said, "I'm humbled that Georgia's sheriffs would again choose me to represent them in this position. I'm honored to serve with a prestigious group of men." Sheriff Clinton is currently serving his second term as a Region III Vice President.
