

SHERIFF CHRIS CLINTON RECEIVES FUNDRAISING AWARD

During Georgia sheriffs' summer training conference last week, Sheriff Chris Clinton was awarded a Top Ten award in fundraising by the Georgia Sheriffs' Youth Homes. Towns County placed third in the state in fundraising for the Georgia Sheriffs' Youth Homes, a non-profit organization currently caring for approximately 80 children on five campuses across the state of Georgia. Sheriff Clinton says, "The real award belongs to the people of Towns County for donating to this cause. There are many, many Towns County citizens to thank." This is the fifth Top Ten award Sheriff Clinton has received for his fundraising efforts for the Georgia Sheriffs' Youth Homes.
